EXPERIENCE

Product Manager — B2B, Airtel Payments Bank

Jan 2024 – Present

- Own product strategy and roadmap for the B2B merchant & retailer lifecycle platform (**600K+ partners, ₹7 Cr monthly GMV**), aligning engineering, business, operations, and design across merchants, distributors, banking partners, and enterprise clients.
- Led funnel optimization and journey redesign that lifted partner onboarding conversion from **50% to 73%**, using drop-off analysis to prioritize the highest-friction steps.
- Cut onboarding turnaround from **3 days to 15 minutes** by digitizing workflows and building seamless, automated verification journeys.
- Reduced merchant inactivity **15%** by launching targeted in-app interventions — contextual pop-ups, re-engagement nudges, and lifecycle prompts — triggered by dormancy and drop-off signals.
- Built reusable, configurable acquisition infrastructure and **AI-powered document-verification workflows** — accelerating new partner-journey launches while cutting manual verification effort **60%** and strengthening fraud / compliance controls.
- Ran A/B testing, UAT, and controlled rollouts informed by product analytics, cutting onboarding-related issues **20%** and lifting partner satisfaction.

Assistant Product Manager

Jul 2022 – Dec 2023

- Conducted market and user research to identify product opportunities and shape onboarding and new financial-service launches.
- Built a lead-generation & assignment tool routing **25K leads/month** into onboarding, and expanded the retailer services catalog (micro-ATM, biometric auth) by onboarding third-party providers — analyzing activation trends to inform roadmap prioritization.

AWARDS

Highflyer Award — led the RBI audit for the B2B platform. **Certificate of Appreciation** — launched the lead-generation flow driving higher conversion.

EARLIER EXPERIENCE

Performance Marketing Executive, Upscalio

Aug 2021 – Feb 2022

- Ran paid-media campaigns for D2C brands (Green-Soul, Auto-Furnish) across marketplaces; built media plans and ROAS models, and benchmarked competitors to lift engagement.
